

Consilium – Garden Fence Bench

Before you commence the assembly process, we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to also check that you have the correct components. If for any reason you need assistance, you can find our contact details on the top of page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

Package contents

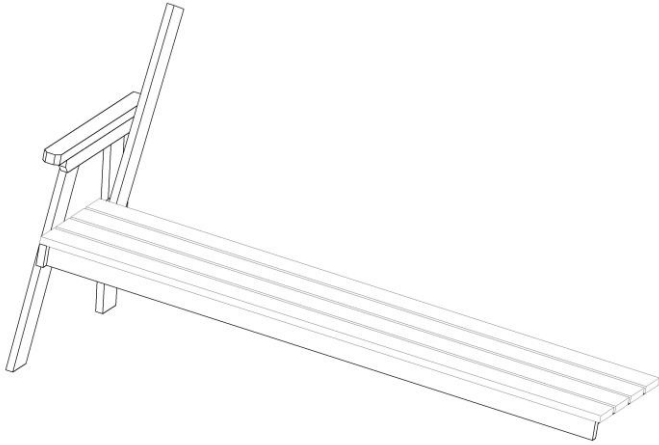

2x End frame
1x Seat
1x Backrest
80mm screws
70mm coach screws
Cover caps

Tools required

Electric screwdriver (No.2 Pozi bit) or
Screwdriver and 10mm socket head or spanner

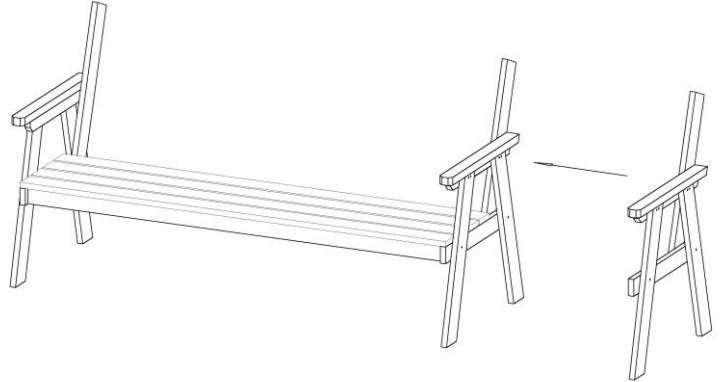

Step 1.1

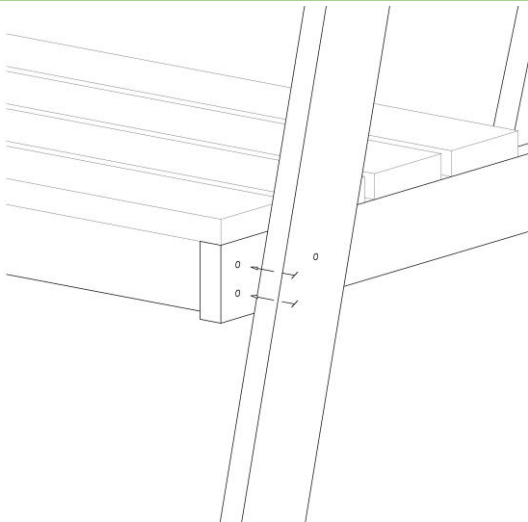

On a flat, level surface. Slot the seat panel into the leg frame as shown above.

Step 1.2

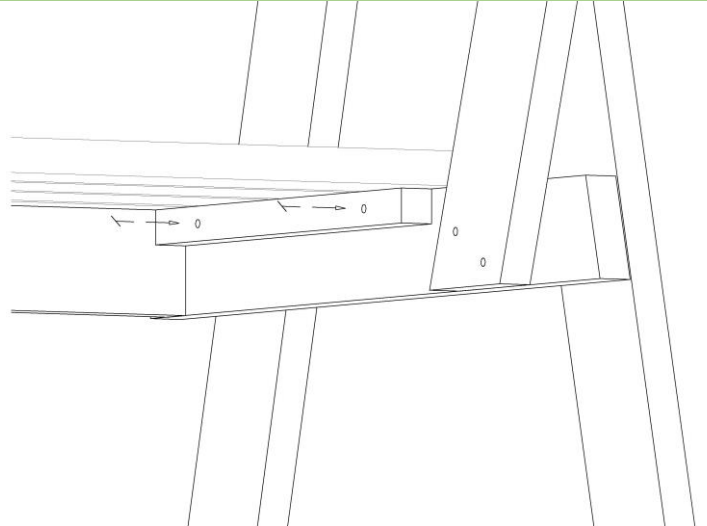

Now lift up the other side of the seat panel to place the other leg frame in place. (It is recommended to use an assistance for this step if possible).

Step 2

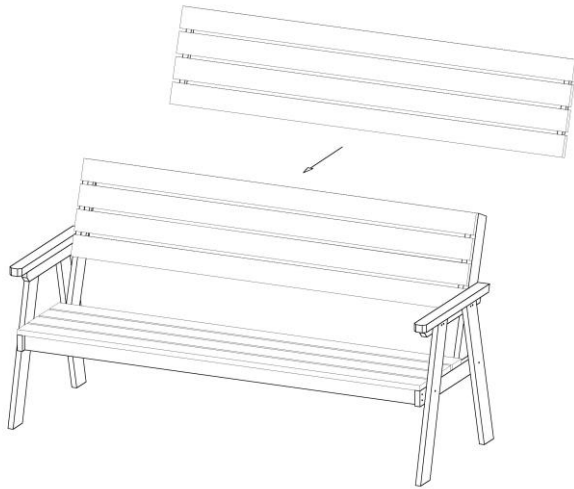

Align the seat panel flush with the front edge of the end frame as shown and secure in place using 2x 85mm screws. Repeat for the other leg frame.

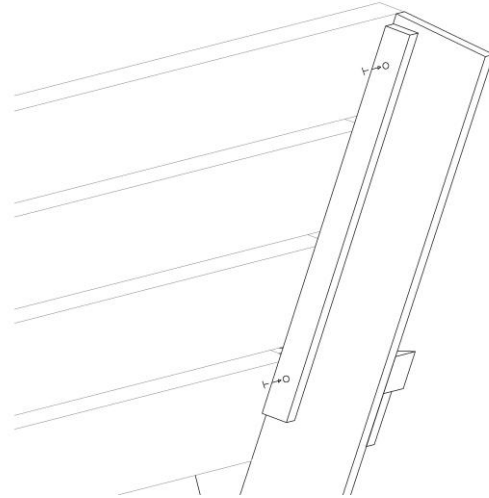

Step 3

Working from underneath the seat panel use 2 coach screws to attach the seat panel to the leg frame and then repeat for the other side.

Step 4

Place the backrest panel into position. (It is recommended to use an assistance for this step if possible).

Step 4

Secure in place using x2 coach screws.

Your garden bench is now completed!

We hope that you found your product quick and easy to assemble but if not and you require further assistance or have any questions you can contact us via details above.
