

Generic build instructions – Hollies Garden Table

Before you commence the assembly process, we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to check that you have the correct components. If for any reason you need assistance, you can find our contact details on the top of page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

You can check our **YouTube channel** for assemble video.

Package contents

- 2 x Ends
- 2x long 2x short braces
- 1 x Bases (2 for double shelf option)
- 1 x Bench Top
- 1 x Back panel for version with back
- 65mm screws 38mm screws

Tools required

Electric screwdriver (No.2 Pozi bit) or Screwdriver.

Step 1

Lay the top upside down and place a leg in position as shown. Ensure the leg is pushed into the corner and secure with the supplied screws use pre-drilled guide holes. Repeat same step on the other half of the leg.

Step 2

Ensure the brace is pushed flush with table top and leg frame and secure into place, repeat this step on the other leg.

Step 3

Place table back on its feet. Slide the bottom shelf into position. Keep the shelf straight, parallel to the table, centralize and secure with provided golden screws. *For double shelf variation please slide second shelf into 2nd opening.

Step 4

Ensure the long brace is pushed flush with table top and leg frame and secure into place, repeat this step on the other leg.

Step 5

Fit the back panel into position. Back secure with provided 4 golden screws.

Your workbench is now completed!

We hope that you found your product quick and easy to assemble but if not and you require further assistance or have any questions you can contact us via details above.
