

Generic build instructions – Hollies Garden Table

Before you commence the assembly process, we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to check that you have the correct components. If for any reason you need assistance, you can find our contact details on the top of page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

You can check our **YouTube channel** for assemble video.

Package contents

1x Tabletop

2x Sets of legs

2x braces

8x fixings + black cover caps

Tools required

8mm socket or spanner (preferred battery operated)

Step 1

Place one of the table frames centrally against the fixing batten ensuring that the gap at the table edge is the same on both sides.

Step 2

Now, using 2 of the supplied coach screws and the pre-drilled holes, secure the table frame to the fixing batten on the tabletop.

Step 3

Place a cross brace in position as shown, ensuring that it is flush with the underside of the table frame and leg frame.

Step 4

Ensure that the brace is lined up centrally on the table and attach it to the frame with a coach screw. Repeat steps to complete other side.

Your picnic table is now completed!

We hope that you found your product quick and easy to assemble but if not, remember you can always check our YouTube channel for assembly video – just [click here](#) or type into YouTube search
