

Generic build instructions – Workbench Acorn/Super heavy-duty/Rotem

Before you commence the assembly process, we recommend that you read these instructions thoroughly beforehand to familiarize yourself with the assembly process and to also check that you have the correct components. If for any reason you need assistance, you can find our contact details on the top of page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

You can check our **YouTube channel** for assembly video.

Package contents

1x Tabletop
1x Base shelf (for double shelf version 2x)
1x Back panel (for versions with back panel)
2x Sets of legs
2x Back braces
2x Side braces

Tools required

Electric screwdriver (No.2 Pozi bit) or
Screwdriver

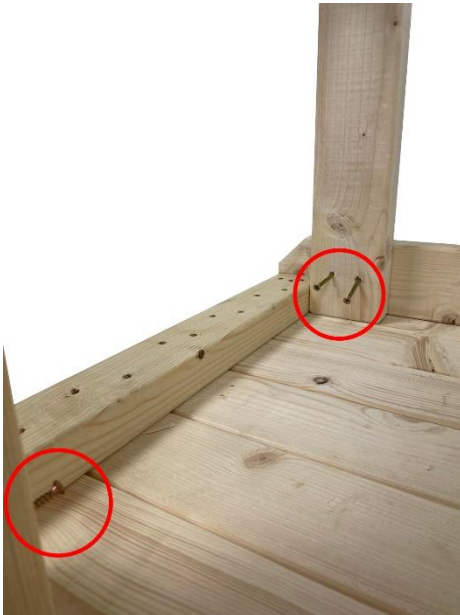

Step 1

Lay the top upside down.

Step 2

Place the legs in position as shown ensure that the legs are pushed into the corner.

Step 3

After making sure that the legs are pushed in the corners secure it with the provided screws just as shown in the picture.

Step 4

Ensure the brace is pushed flush with tabletop and leg frame and secure into place.

Step 5

Rotate the workbench and prepare to slide in the shelves.

Step 6

Fit the bottom shelf in position. Centralize and secure using the screws supplied.

Step 7

Repeat this step if you have ordered double shelf option.

Step 8

Add side braces, ensure the brace is pushed into the top corner and is lined up with the front of the leg and secure into place.

Step 9

If you order version with back panel. Lift the back section into place. Ideally this will need to be held in place by a second person. Secure the back using the screws supplied.

Step 10

Secure the back panel via pre-drilled pilot holes with the 85mm screws just as shown in the picture.

Your workbench is now completed!

We hope that you found your product quick and easy to assemble but if not and you require further assistance or have any questions you can contact us via details above.
