

Artifex Craftsman/Jewellers Workbench

Before you commence the assembly process, we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to also check that you have the correct components. If for any reason you need assistance, you can find our contact details on the top of page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary **for your convenience all guide holes are pre-drilled.**

Package contents

1x Tabletop

2x Legs

1x Back panel

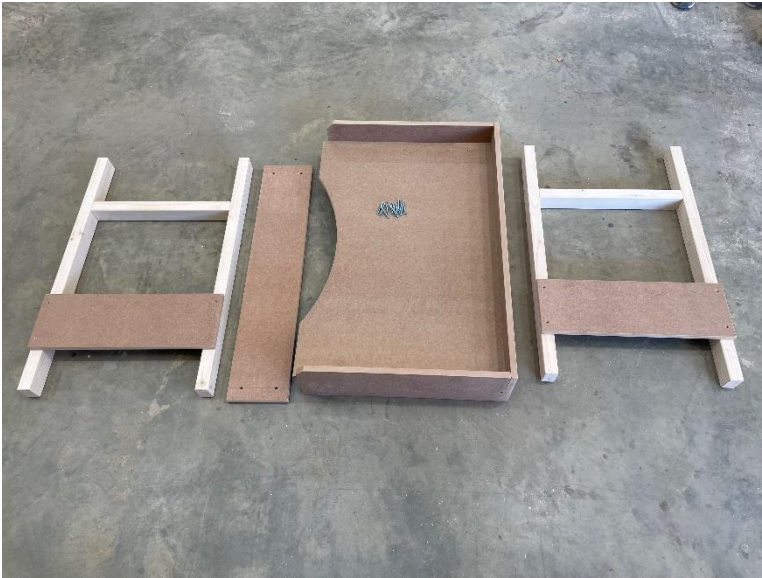

1x Bundle with fixings

Tools required

Spanner or battery-operated drill

Step 1

Ensure that you have all of the correct parts as listed on the front page of these instructions, including any fixings.

Step 2

Put the workbench top on the flat surface then place the workbench legs as shown in the picture and use the pre-drilled pilot holes to secure the legs with the provided confirmat screws.

Step 3

Rotate the workbench on its legs and attach the back panel on the back of the workbench use the pre-drilled pilot holes to secure the back panel with the provided confirmat screws.

Your Artifex Craftsman/Jewellers Workbench is now completed!

We hope that you found your product quick and easy to assemble but if not and you require further assistance or have any questions you can contact us via details above.
