

Generic build instructions – Hazels Table & Chairs Set

Before you commence the assembly process, we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to check that you have the correct components. If for any reason you need assistance, you can find our contact details on the top of page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

You can check our **YouTube channel** for assembling the video.

Tools required

8mm socket or spanner (preferred battery operated)

Step 1

Place one of the table frames centrally against the fixing batten ensuring that the gap at the table edge is the same on both sides.

Step 2

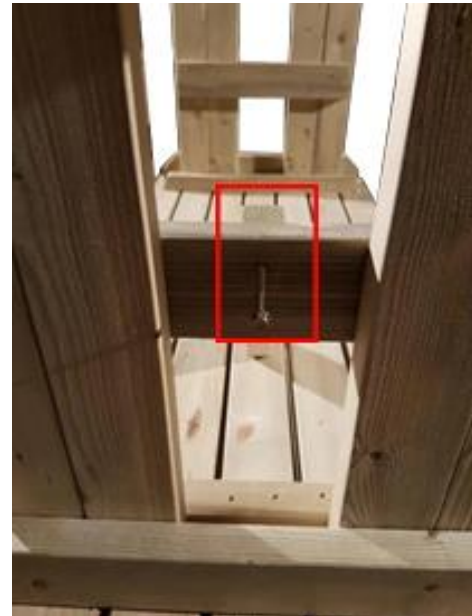

Now, using 2 of the supplied coach screws and the pre-drilled holes, secure the table frame to the fixing batten on the tabletop.

Step 3

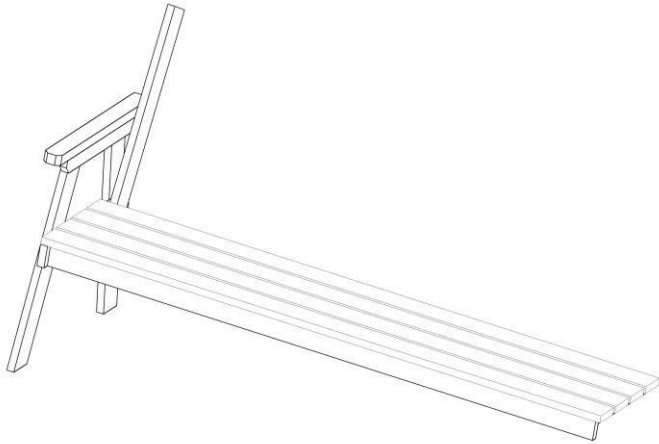

Place a cross brace in position as shown, ensuring that it is flush with the underside of the table frame and leg frame.

Step 4

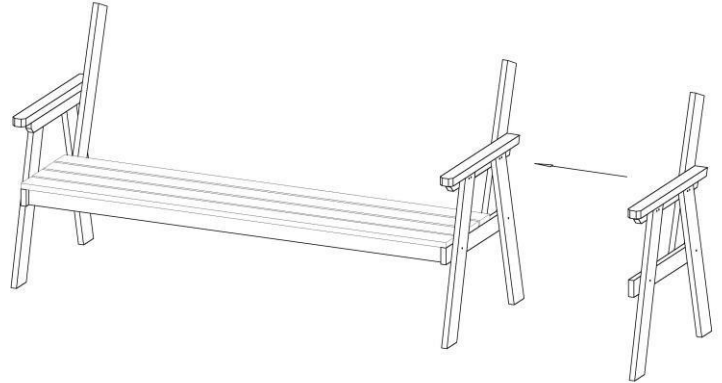

Ensure that the brace is lined up centrally on the table and attach it to the frame with a coach screw. Repeat steps to complete other side.

Step 5

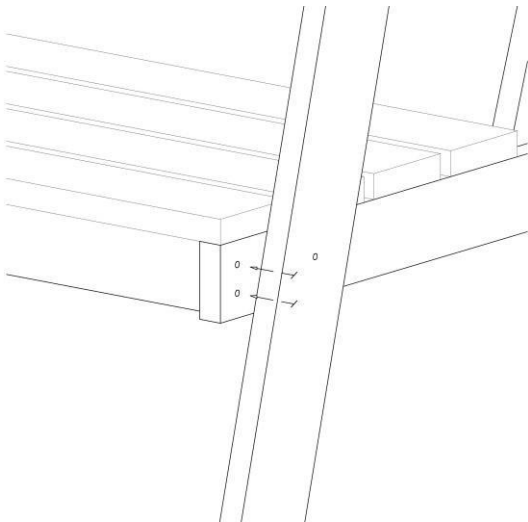

On a flat, level surface. Slot the seat panel into the leg frame as shown above.

Step 6

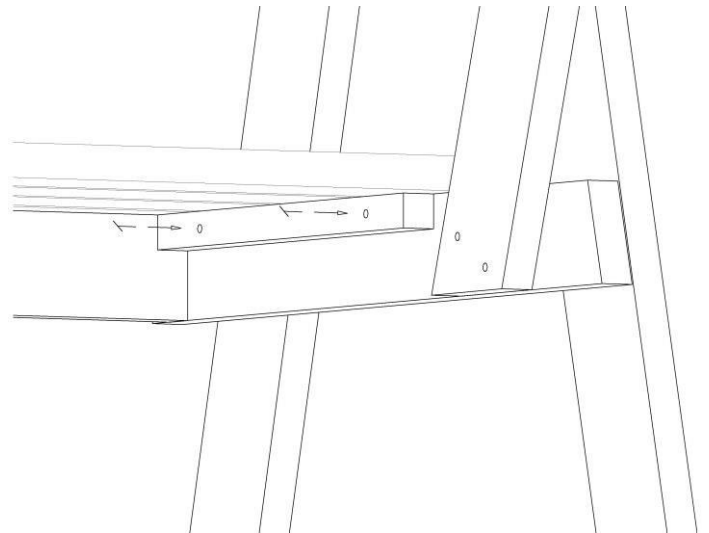

Now lift up the other side of the seat panel to place the other leg frame in place. (It is recommended to use an assistant for this step if possible).

Step 7

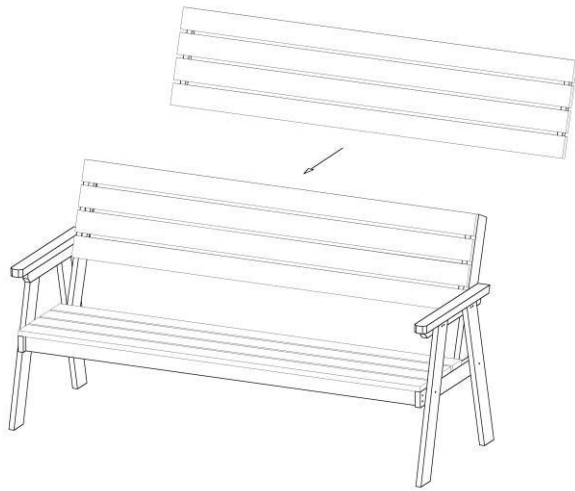

Align the seat panel flush with the front edge of the end screws frame as shown and secure in place using 2x 85mm repeat for screws. Repeat for the other leg frame.

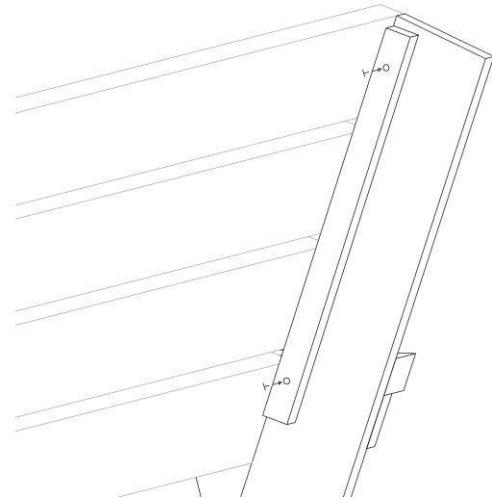

Step 8

Working from underneath the seat panel use 2 coach to attach the seat panel to the leg frame and then the other side.

Step 9

Place the backrest panel into position. (It is recommended to use an assistant for this step if possible).

Step 10

Secure in place using x2 coach screws.
