

Hollies bench build instructions

Before you commence the assembly process, we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to check that you have the correct components. If for any reason you need assistance, you can find our contact details on the top of page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

You can check our **YouTube channel** for assemble video.

Package contents

1x Top
2x Sets of legs
2x braces
8x fixings + black cover caps

Tools required

8mm socket or spanner (battery operated recommended)

Step 1

Lay one of the bench seats face down on the flat surface. Place one of the bench frames centrally against the fixing batten ensuring that the gap at the bench edge is the same on both sides.

Step 1.1

Now, using 2 of the supplied coach screws and the predrilled holes, secure the bench frame to the fixing batten on the seat.

Step 1.2

Place a cross brace in position, ensure that it is flush with the underside of the bench frame.

Step 2

Ensure that the brace is lined up centrally on the bench and attach it to the frame with a coach screw. Repeat steps to complete the other side.

Your picnic bench is now completed!

We hope that you found your product quick and easy to assemble but if not, remember you can always check our YouTube channel for assembly video – [click here](#) or **just type into YouTube search**
